

Renata Volkov, CPA, CMA

Grand Rapids, Michigan | renata.volkov@example.com | 616-555-0119

PROFESSIONAL SUMMARY

Controller with 15 years in manufacturing finance, the last six leading accounting for a \$180M tier-two automotive supplier with plants in Michigan and Ontario. Hands-on with SAP (ECC and S/4HANA), standard costing and SOX. Currently employed; able to start with one month's notice.

CORE COMPETENCIES

Standard cost and variance analysis | Inventory and WIP accounting | SOX 404 controls | Consolidations (US GAAP, USD/CAD) | Plant finance partnering | Budgeting and forecasting | Audit management | Team leadership (up to nine direct reports)

EXPERIENCE

Corvid Automotive Components, Grand Rapids, MI

Controller, Jan 2020 - Present

- Lead a team of nine (GL, AP, AR, cost accounting, payroll) closing two plants and a Canadian subsidiary in SAP S/4HANA by business day 5.
- Own standard costing for 1,400 SKUs: annual cost roll, monthly PPV and absorption variance reporting, and cycle-count reconciliation with inventory accuracy above 99%.
- Ran the SAP ECC to S/4HANA migration for finance (2022-2023), including the chart of accounts redesign and a parallel close.
- Manage the SOX 404 control environment (62 key controls) and the annual external audit; no material weaknesses in six years.
- Built the Power BI margin dashboard plant managers use weekly, retiring 30 Excel reports.
- Approve travel and expense reports in SAP Concur and rewrote the T&E policy after the acquisition of a second plant.

Corvid Automotive Components, Grand Rapids, MI

Assistant Controller, Mar 2016 - Dec 2019

- Ran the monthly close and consolidation, prepared the board reporting package and led the year-end audit.
- Implemented cycle counting and reduced the annual physical inventory adjustment from \$410K to under \$40K.

Great Lakes Fastener Corp., Holland, MI

Senior Cost Accountant, Jun 2013 - Feb 2016

- Maintained standard costs and BOM routings in SAP ECC for a 600-SKU fastener plant.
- Produced monthly cost of goods sold and scrap analysis for plant management.

Great Lakes Fastener Corp., Holland, MI

Staff Accountant, Sep 2011 - May 2013

- General ledger, fixed assets and monthly reconciliations.
