

Beatriz Almeida, CPA, CGMA

Fractional CFO | Boston, MA | beatriz.almeida@example.com | (617) 555-0155

Finance leader with 22 years across public accounting, venture-backed software and, since 2019, fractional CFO work for founder-led companies between \$3M and \$40M in revenue. I am fully booked with current engagements through the first quarter of 2027 and am not taking on new roles at the moment, but I keep this profile current for the right opportunity later in the year.

SELECTED ENGAGEMENTS (Almeida Advisory, 2019 - present)

Pilotwave Robotics (Series A hardware and software, \$12M revenue): built the first three-statement model and board reporting; led the NetSuite implementation replacing QuickBooks Online; managed the Series B data room and closed a \$28M round. Cap table administered in Carta.

Northgate Learning (edtech SaaS, \$8M ARR): moved the company from cash to accrual accounting and ASC 606; migrated the books to Sage Intacct; hired and coached the first controller; 409A and option grant process in Carta.

Merrow & Finch (professional services, 120 staff): 13-week cash forecasting during a downturn, renegotiated the credit facility, designed partner compensation reporting in Google Sheets.

Four additional engagements in B2B SaaS and technology services: interim CFO cover, audit readiness and fundraising support.

EARLIER CAREER

Vantage Signal Software, Boston, MA - VP Finance, then CFO, 2011 - 2019
