PAYROLL MANAGER

Multi-state payroll leader (11 years) for hourly-heavy workforces of up to 6,500 employees.

Certified Payroll Professional since 2018. Known for clean quarter-ends, fast system migrations and calm year-ends.

Availability: I have committed to finishing our open enrollment cycle; I can start on November 9, 2026.

KEY ACHIEVEMENTS

- Migrated 6,500 employees across 34 states from a legacy in-house system to ADP Workforce Now in 14 weeks with zero missed pay dates.
- Cut payroll processing time from 3 days to 1 by rebuilding the time-import validation rules.
- Recovered \$214K in over-withheld state unemployment tax through a multi-year reconciliation.

EXPERIENCE

Carolina Regional Health System, Charlotte, NC

Payroll Manager | 11/2019 – Present

- Lead a team of five processing biweekly payroll for 6,500 employees (nurses, techs, support staff) in 34 states through ADP Workforce Now; roughly \$310M in annual wages.
- Own quarterly and annual filings (941, state withholding and SUI, 6,500 W-2s and 1095-Cs) and all payroll tax notices.
- Reconcile payroll to the general ledger every cycle and book payroll accruals with the accounting team in Workday Financials.
- Manage garnishments, shift differentials, on-call pay and union-specific rules for three bargaining units.
