Senior Accountant, CPA

Seven years of progressively senior accounting roles, the last four at venture-backed SaaS companies running a multi-entity NetSuite close. Two weeks' notice.

PROFESSIONAL EXPERIENCE

Lumen Grid Software (B2B SaaS, ~\$45M ARR) – Oakland, CA

Senior Accountant, Feb 2023 – Present

- Own the month-end close for the US parent and two foreign subsidiaries (UK, Ireland) in NetSuite OneWorld; close is at business day 6, down from 11 when I joined.
- Run the BlackLine reconciliation program: 85 balance sheet accounts certified monthly, with exceptions escalated to the Controller by day 8.
- Book ASC 606 revenue for 300+ annual and multi-year contracts, including ramped pricing and usage true-ups, and reconcile deferred revenue to the billing system each month.
- Prepared the PBC list and led fieldwork support for the company's first Big-4 audit; zero material adjustments.
- Administer Expensify for 220 employees and wrote the expense policy that halved out-of-policy submissions.

Harborline Analytics (SaaS, Series B) – San Francisco, CA

Staff Accountant, then Accountant, Aug 2020 – Jan 2023

- Posted journal entries, accruals and prepaid amortisation for the monthly close in NetSuite.
- Built the fixed-asset and capitalised software (ASC 350-40) schedules in Excel and reconciled them to the sub-ledger.
- Reconciled Stripe payouts to NetSuite revenue daily and wrote the team's first reconciliation procedure.

Keller, Tan & Associates LLP (public accounting) – San Francisco, CA

Audit Associate, Sep 2019 – Jul 2020

- Substantive testing of revenue, cash and fixed assets for technology and consumer clients.

EDUCATION & CERTIFICATIONS

B.S. Business Administration (Accounting), State University, 2019

Certified Public Accountant, California, licensed 2022

TECHNICAL SKILLS

NetSuite OneWorld, BlackLine, Expensify, Stripe, Microsoft Excel (pivot tables, XLOOKUP, Power Query), Google Sheets
